

Sri J. H. SHAMSUDDIN.—I do not know what was being done in Hyderabad. At the time of integration, we continued whatever was being paid before integration.

Sri F. H. MOHSIN.—Will Government think of increasing the travelling allowance of the bailiffs? They are paid Rs. 10 now which is insufficient.

Sri J. H. SHAMSUDDIN.—It is a suggestion for action.

PROVIDING BUILDING SITES TO 28 FAMILIES IN KUMKUMADA HOSUR, HALEKOTE HOBLI IN HOLENARASIPUR TALUK.

*Q.—1015. Sri Y. VEERAPPA (Holenarasipur).—

Will the Government be pleased to state:—

(a) whether it is not a fact that twenty-eight families in Kumkumada Hosur, Halekote hobli in Holenarasipur taluk are without building sites;

(b) whether it is not a fact that the land Acquisition Officer has acquired one acre and twenty-two guntas in S. No. 1 of Kumkumada Hosur belonging to one Javare Gowda of the same village for the said sites;

(c) whether it is a fact that the Hon'ble Revenue Minister has stayed the acquisition proceedings; and if so, the reason for the stay;

(d) whether they will at least now vacate the stay order in the interest of the needy villagers and direct the Acquisition Officers to take up steps to provide the needy villagers with proper sites?

A.—Sri KADIDAL MANJAPPA (Minister for Revenue).—

(a) and (b) Yes.

(c) Yes. The land is not suited on grounds of health for a village extension.

(d) It is not desirable to pursue the acquisition proceedings for the reasons indicated in reply to clause (c). The question of providing sites elsewhere will be considered.

Sri Y. VEERAPPA.—Since how long villagers were without sites?

† Sri KADIDAL MANJAPPA.—Since a few years.

Sri Y. VEERAPPA.—With reference to (c), is it not a fact that the Health Officer of Hassan District inspected this plot prior to the acquisition of the said land and opined that this plot was suitable for building sites?

Sri KADIDAL MANJAPPA.—I do not know when he visited, but he has opined that not all the land is suitable, but only one row of houses may be constructed. It seems the site now proposed is lower in level by about 3 to 10 feet from the village sites.

Sri Y. VEERAPPA.—Did you get this answer only after you stayed the proceedings or had he given the opinion before you stayed the proceedings ?

Sri KADIDAL MANJAPPA.—I came to know all this after the Deputy Commissioner sent me a report.

Sri B. S. SHANKARAPPA.—Is it not a fact that before acquiring the site the Health Officer should be consulted and only after the Health Officer opines that it is fit for acquisition it is taken up ?

Sri KADIDAL MANJAPPA.—Yes, even then Health Officer opined not completely in favour of acquisition. I am given to understand that there are two parties one party trying to acquire the land of this person and the other party is against it.

Sri Y. VEERAPPA.—The information that the Hon'ble Minister is in possession is absolutely wrong. Nearly 23 families are suffering without site and without adequate space for living. I am going to challenge.

Sri KADIDAL MANJAPPA.—You may challenge. But I have got a report from the Deputy Commissioner and the Assistant Commissioner that there are other sites. It seems according to the report of the Deputy Commissioner that more suitable sites are available.
